14.2.2 such application shall be accompanied by a report from an independent actuary to the effect that in his opinion the proposed amendment will not materially adversely affect the interests of the Policyholders affected by the proposed amendment; and

14.2.3 to the extent any such variation affects any right, obligation or interest of the Transferor, the Transferor has consented thereto.

14.3 If the consent of the Court is granted in accordance with clause 14.2, the Transferee may amend the terms of this Scheme in accordance with the terms of the Court.
